

Theatre Circle was founded in 1978 to encourage the study and practice of theatre arts at Indiana University and to promote an awareness of IU Theatre throughout the community.

Theatre Circle members enjoy a variety of benefits, including acknowledgment in all IU Theatre programs, emailed information about performances, glimpses behind the scenes, special event invitations, reserved seating at numerous performances and events, and much more.

The mission of the Department of Theatre, Drama, and Contemporary Dance is to advance the art, scholarship, and appreciation of theatre and dance and its place in society. We pursue this mission collectively and as individuals through theatrical productions, scholarship and publication, presentation of our work in national and international venues, formal instruction, and individual mentoring.
