Spring 2023

Leadership Meeting: January 2023
Sharing Space

- This is a supportive space
- There is room for everyone
- Listen, Reflect, Share
- Your voice is valued. Your presence is appreciated
- Honesty is brave & will push you forward. We celebrate honesty
- Do not share each other's ideas, contributions, or narratives outside
Practice Self-Reflection

As organizational members it may be difficult to separate organizational criticism from personal feelings.

If you feel targeted, emotional, or guilty, you are personalizing the process (me), rather than receiving the information as an organizational member (role).

This is another step forward in a long process of learning, growing, and building.
